Summary

Recent bootcamp graduate from UNC Chapel Hill looking to begin their career in web development. This bootcamp is an intense, fast-paced environment with a lot to learn and is a great way to prepare for the professional developer jobs that are available. It makes you a more efficient developer with a lot of the tools and skills needed to succeed. Excited to get out there and continue working on what I love doing and learn as much as I can.

Experience

Retail Salesperson Mar 2017 to Current
Sheetz — High Point, NC

- Working with the public, I did my best to serve the customer's needs in a timely and professional manner
- As I excelled in my position and took on additional responsibilities, I was recommended for and became a store supervisor within two years.
- Kept calm and applied strong problem-solving and interpersonal skills to resolve conflicts.

Supervisor Mar 2019 to May 2021
Sheetz — High Point, NC

- As the third shift supervisor, I was responsible for all employees working the shift, including directing what position they would be working in the store and ensuring store protocols were consistently followed.
- Further responsibilities included ordering inventory in a timely manner to ensure the store was stocked with all products needed at all times.
- Additionally, I took on more responsibilities and worked alongside the assistant store manager to train for an assistant store manager position for another store.
